with all rights and appurtenances thereunto belonging.

To Have and to Hold said property to said Grantee and to the successors, heirs and assigns of Grantee forever,
In Fee Simple:

Grantor covenants that there is no incumbrance of any kind whatsoever on said property not herein noted; that all taxes thereon shall be paid as they mature; and title to said property is warranted against the lawful claims of all persons.

The indebtedness secured hereby is described as follows: One note dated this date for \$200.99 due on demand with interest from date at 6% per annum, and one note dated this date for \$1270.08 payable in consecutive monthly installments of \$52.92 each, the first payment being due May 23, 1960, and final installment being due April 23, 1962, with interest from maturity at the rate of 6% per annum. In event of default of any two monthly installments, and upon such default continuing for a period of 60 days, the holder of said note shall have the option of declaring said entire indebtedness and all future installments immediately due.

This instrument is to secure any renewal and extension of the above described indebtedness and any part thereof.

This deed to also secure any other present and future indebtedness and liability of mine to second party, directly or indirectly.

In case said indebtedness is not paid at maturity, and Grantee places same in the hands of an attorney at law for collection ten percent. (10%) of same shall be added as Attorney's fees. All improvements on said property shall be covered to the extent of their fair value by fire insurance policies carrying appropriate loss riders in favor of Grantee. All attorney's fees which may accrue on said indebtedness, together with taxes and insurance premiums which Grantee may be compelled to pay to protect said property, with lawful interest from the date of such payments, shall be added to said indebtedness and secured hereby.

In case of default in the payment of the indebtedness secured hereby, Grantee, his heirs, successors or assigns, may enter upon and take possession of the said premises and sell the same at public outcry, after first advertising the time, place and terms of said sale in some newspaper published in the county in which the land lies, once a week for four weeks immediately preceding said sale, at the usual place for conducting legal sales at the court house in said county. All or other notice of said sale is hereby waived by Grantor. Said sale shall divest all of Grantor's right, title, interest or equity in said premises and shall vest same in fee simple in the purchaser or purchasers at said sale. The power of sale is cumulative to other remedies, but nevertheless all process of foreclosure other than the above is hereby waived. Proceeds of said sale shall be applied first to the expenses of conducting same, next to the payment of the indebtedness secured hereby with interest, the remainder, if any, to be paid to Grantor. Grantee, his heirs, successors, or assigns may bid at such sale and become the purchasers of said property. For the purpose of carrying out and effectuating the power of sale, Grantor, his heirs, successors or assigns are hereby constituted and appointed the true and lawful Attorney in Fact for Grantor, to sell said property and convey the same to the purchaser or purchasers at said sale in as full and ample manner as Grantor could do in person. This power is hereby being coupled with an interest and irrevocable even by death.

All homestead and exemption rights under the law of the land are expressly waived against said indebtedness and the property hereby conveyed.

In Witness Whereof this deed has been duly executed by or on behalf of Grantor under hand and seal and is made a sealed instrument.
