P.O. Box 159

January 11, 1993

Gentlemen:

This refers to the Tax Commissioner's bills numbered 11175; -76; and -77 for 1992. Copies of the addressee covers of the bills are attached for easy reference.

With my 1991 payment, I asked for changes and information that apparently was inadvertently overlooked. May I please receive attention to the following:

1. My post office box is 159. Also, note the misspelling of Turkey Crest Farms on the first of the three bills.
2. Again, I ask why the property is listed in three lots and billed separately? When I acquired the property, the Company had changed from the original plat to combine the properties into one to correct some unforeseen land problems, whereby as individual lots, driveways, etc., would not be feasible. I bought it as one parcel and all of the documents of sale listed it as such.
3. I requested the exemptions that apply to the age of 62 and above. As I now approach 65, I have now been deprived of the two years of exemption.

I respectfully request your consideration and early response.

Sincerely,

R. T. Crouch, Jr. (smw)
