Re: Request for tax map identification numbers - WRS Woodstock, L.L.C.

Dear Mr. Lance:

Enclosed herewith please find a copy of the recorded subdivision plat which was approved by the City of Woodstock Planning Commission.

As we discussed, please assign each parcel a new tax map identification number for tax purposes. My understanding from our telephone conversation is that your office will forward the new tax map identification numbers to the Tax Assessor's office so they can assess the property taxes on each parcel or outparcel.

Please provide us with documentation as to each parcel's new tax map identification number as soon as possible. If you recall, our client is in the process of selling the outparcels, and we need the tax information for the final closing statements.

Should you have any questions regarding this matter, please give us a call.

Sincerely,

CALLISON TIGHE & ROBINSON, LLC
