Brief Legal Description						

Figure 1. Schematic representation of the experimental design. The subjects were divided into two groups: the control group and the experimental group. The control group received a placebo, while the experimental group received a 100 mg dose of the active ingredient. The subjects were then subjected to a series of tests, including a visual discrimination task, a working memory task, and a spatial navigation task. The results of the tests were compared between the two groups.

1. The first part of the document is a letter from the President of the United States to the Congress, dated January 3, 1862. It is a very long letter, and it contains a great deal of information about the state of the country at that time. It is a very important document, and it is one of the most interesting documents in the collection.

RE: Hardwick Farms
Tax Base Revision

Dear Mr. Ghorley;

On August 1, 1990 I met with Lester Hardwick, and discussed Mr. Hardwick's intent to return Hardwick Farms Subdivision to one parcel.

The public road shown on his plat was never dedicated to the county. Mr. Hardwick stated and agreed in his letter dated August 1, 1990 that any new subdivision will come under the new November 1987 Development Regulations.

Therefore, The Planning and Zoning Department readily accepts the entire 64.7 acres located in Land Lots 284 & 285 2nd District 2nd Section Cherokee County as one parcel of land.

Sincerely,

Gene Nuss
Administrator Planning and Zoning Department

Re: HARDWICK FARMS
Tax base revision

Dear Mr. Nuss,

I am writing to you as requested in our meeting of August 1, in your office, concerning the tax base revision of Hardwick Farms.

I am enclosing a copy of a letter from Hazel Foster where she agrees to the closing of a road that was under construction but not yet approved by the county for their taking over same. This road, as explained, was to be closed by fencing at the entrance and removal of the road sign.

Also enclosed is a copy of my letter to Gene Hobgood stating that the road was to be closed and the property to revert to a cattle farm rather than the mini farms for sale.

The road has been closed for almost a year, the sign is down and the county has never maintained that road.

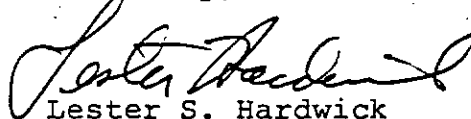

This letter to you is a request that the property revert back to a single farm rather than the lots as mini farms as shown on the plat of record; a copy of which is enclosed.

As we discussed, I agree that if the property is developed in the future I will abandon the "grandfathering structure" that is the basis of our road development and will come under the new revisions of the November 1987 regulations.

If granted this revision in reverting back to the original tax base of a single farm, the current tax base should be retroactive.

I look forward to hearing from you or the tax assessors office.

Sincerely,

Lester S. Hardwick
