Brief Legal Description:										

A hand-drawn diagram of a cell. It features a large, irregular outer boundary representing the cell membrane. Inside, there is a smaller, roughly circular nucleus with a darker, textured interior. To the right of the nucleus is a large, clear, oval-shaped vacuole. A dashed line runs vertically through the center of the cell, and a solid line runs diagonally from the top left towards the bottom right, possibly representing a structural component or a plane of division.
