Brief Legal Description:							

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and the role of the accounting department in ensuring the integrity of the financial data. It emphasizes the need for transparency and accountability in all financial reporting.

2. The second part of the document outlines the various methods used to collect and analyze financial data, including the use of spreadsheets, databases, and specialized accounting software. It also discusses the importance of regular audits and the role of external auditors in verifying the accuracy of the financial statements.

3. The third part of the document focuses on the importance of budgeting and financial planning. It discusses the various factors that can affect a company's financial performance and the need for a comprehensive budgeting process that takes into account all aspects of the business.

4. The fourth part of the document discusses the importance of risk management and the role of the accounting department in identifying and mitigating financial risks. It also discusses the importance of maintaining adequate insurance coverage and the need for a robust risk management framework.

5. The fifth part of the document discusses the importance of financial reporting and the role of the accounting department in preparing and presenting financial statements. It also discusses the importance of providing timely and accurate information to management and the board of directors.

6. The sixth part of the document discusses the importance of financial control and the role of the accounting department in ensuring that all financial transactions are properly recorded and controlled. It also discusses the importance of maintaining accurate records of all financial data and the need for a strong internal control system.

7. The seventh part of the document discusses the importance of financial analysis and the role of the accounting department in providing management with the information needed to make informed decisions. It also discusses the importance of using financial ratios and other analytical tools to assess the company's financial performance.

8. The eighth part of the document discusses the importance of financial forecasting and the role of the accounting department in providing management with the information needed to plan for the future. It also discusses the importance of using historical data and other information to make accurate forecasts of future financial performance.

9. The ninth part of the document discusses the importance of financial compliance and the role of the accounting department in ensuring that the company complies with all applicable financial regulations. It also discusses the importance of maintaining accurate records of all financial transactions and the need for a strong compliance framework.

10. The tenth part of the document discusses the importance of financial communication and the role of the accounting department in providing management with the information needed to communicate with external stakeholders. It also discusses the importance of providing timely and accurate information to investors, creditors, and other interested parties.

Brief Legal Description:						

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and the role of the accounting department in ensuring the integrity of the financial statements. It also highlights the need for regular audits and the importance of transparency in financial reporting.

2. The second part of the document focuses on the implementation of internal controls to prevent fraud and ensure the accuracy of financial data. It outlines the key components of a robust internal control system, including segregation of duties, authorization procedures, and regular monitoring and evaluation.

3. The third part of the document addresses the challenges faced by organizations in managing their financial resources effectively. It discusses the importance of budgeting, forecasting, and cost management, and provides practical advice on how to overcome common financial management challenges.

4. The fourth part of the document explores the role of technology in modern accounting and finance. It discusses the benefits of using accounting software and the importance of staying up-to-date with the latest technological advancements in the field.

5. The fifth part of the document discusses the importance of ethical considerations in financial reporting and the role of the accounting profession in promoting transparency and accountability. It also highlights the need for ongoing education and training for accounting professionals to stay current in their field.

6. The sixth part of the document provides a summary of the key points discussed in the previous sections and offers final thoughts on the importance of maintaining accurate financial records and the role of the accounting department in ensuring the integrity of the financial statements.

1988 Q/C deed 852/454 May have mentioned lot 34 in error or just for title clearing purposes. "Not Sure" L.S.

December 12, 1992

Commissioner

in the amount of \$1,334.64 to cover 1992
following property:

Property Address:

395 John Tate Road
Acworth, GA 30101

Bill No.:

033539

ID:

21-910171 1509B 034

I have tried repeatedly via telephone, as well as by letter last year when property taxes were paid, to change the address on this tax bill. We are the property owners (not North Fulton Equities, which is a property management firm no longer in business). Please change the taxpayer name and mailing address as follows:

Paul H. and Diane K. Andrus
429 Woodlands Circle
Brandon, MS 39042
(601) 992-1812

I have also enclosed a copy of the Warranty Deed on this property showing us as the owners on record. Please forward this letter to the correct department if you cannot make the change. If there are any problems, please contact me at the above number (or I can be reached during the day at 601/984-9711).

I would also like to receive a confirmation that this change has been made.

Sincerely,

Diane Andrus

Diane K. Andrus

cc: Ms. Betty Holloway
